

Lugana Poggio al Garda Doc

A Lugana born in the heart of the Lugana DOC. The history of our land, our deep connection to the soil and to our vineyards have led us to create a wine that expresses our philosophy and our territory.

An elegant Lugana, pale straw yellow in color, with an intense bouquet featuring notes of citrus fruits, white flowers and green apple. On the palate it is fresh, well-balanced, with a pleasant acidity. Distinct mineral and savory notes emerge, leading to a round and enjoyable finish.

For our Lugana, we chose the circle as its symbol, representing harmony, the sun, the earth, the grape, and the glass—essential elements in the creation of this wine, the highest oenological expression of the territory in which we live.

GRAPE VARIETY	100% Turbiana
LOCATION	Vineyards with excellent sun exposure on the first moraine hill overlooking Lake Garda
SOIL COMPOSITION	Calcareous and clay
TRAINING SYSTEM	Guyot and double Guyot
PLANTING DENSITY	2,40 x 0,80
YIELD PER HECTARE	110 quintals
VINIFICATION	Hand selected grapes harvested at the end of September. Soft pressing, fermentation in stainless steel tanks at controlled temperature, fining in bottle
MLF	Not carried out
ALCOOL CONTENT	13,00% vol
